Buyers who are not known to the sale manager will bring bank reference. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

INTRODUCTION

May I call your attention to the fact that this is going to be the seventh annual fall sale of the Ohio Polled Shorthorn Breeders Association. Never before in previous years has this association put forth the ambition to put on a sale of this type.

I have inspected each lot that is to be sold and I can truthfully say that you must attend to appreciate this grand offering of sale cattle. The cattle that these breeders are offering are outstanding in color, type and breeding.

Come early and be with us the morning of the show and see for your self the kind of cattle that are bred in Ohio.

PAUL F. LEHNERT, Sale Manager
